

# **INSTALASI VISUAL STUDIO 2022**

# STEP 1 SEARCH VISUAL STUDIO PADA BROWSER

## STEP 2 KLIK FREE DOWNLOAD PADA BAGIAN COMMUNITY

The screenshot shows the Microsoft Edge browser displaying the [Visual Studio Downloads](https://visualstudio.microsoft.com/downloads/) page. The page features a large 'Downloads' header. Below it, there are sections for Visual Studio 2022, Visual Studio 2019, and Visual Studio 2017, each listing four editions: Community, Professional, Enterprise, and Preview. The Visual Studio 2022 section is currently active, with a purple background and a prominent 'Free download' button for the Community edition. Other visible buttons include 'Free trial' for Professional, Enterprise, and Preview editions. At the bottom of the page, there are links for 'Release notes', 'Compare Editions', and 'How to install offline'. The browser's address bar shows the URL <https://visualstudio.microsoft.com/thank-you-downloading-visual-studio/?sku=Community>. The taskbar at the bottom of the screen includes icons for File Explorer, Microsoft Edge, and Mail, along with system status indicators like battery level, temperature (30°C), and date/time (03-Mar-22).
